

COURSE LIBRARY

ONLINE WORKPLACE HEALTH AND SAFETY COURSES

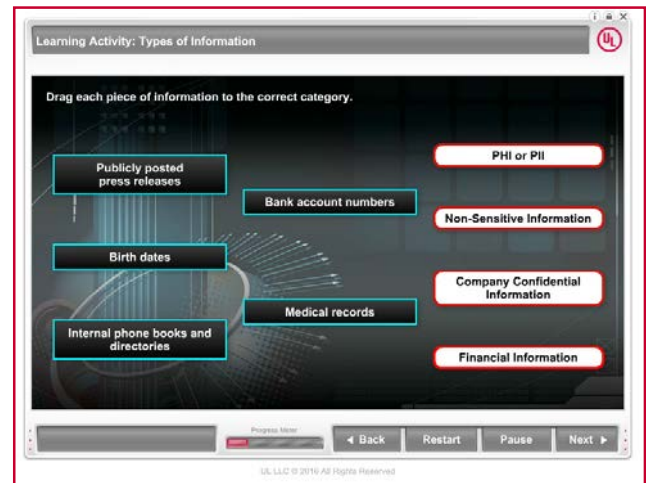

Engaging and Interactive Courses

UL's workplace health and safety course library offers self-paced training that is engaging, consistent and measurable. You and your trainees can access or manage training 24/7 from virtually any Internet-connected computer. All courses are developed by our team of certified safety professionals and adult learning experts, and are continuously updated to address compliance requirements. Our in-house Professional Learning Services team maximizes employee learning and retention with rich multimedia features including:

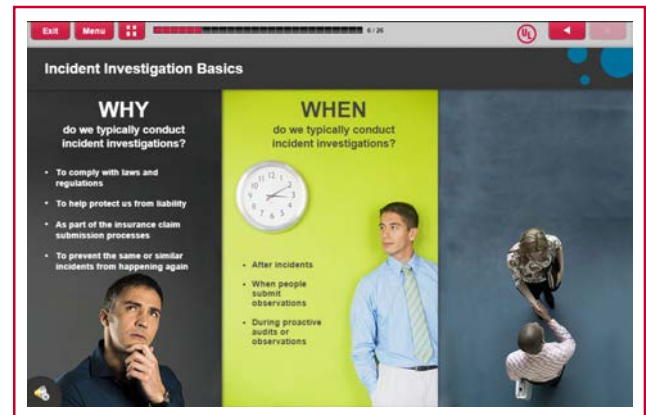

- High-quality course narration and text
- Superior high-resolution graphics, 3D animation and illustrations
- Challenging learning activities, knowledge checks and post-tests to reinforce and evaluate employee knowledge
- Intuitive course navigation and bookmarking

Our flexible delivery and pricing fit any environment, workflow or budget, and our Course Licensing options allow you to run our content on your learning management or enterprise software system.

All of UL's workplace health and safety courses conform with AICC and SCORM 1.2 requirements. They are certified to run on leading eLearning platforms including LRN Plateau and Saba. We have also successfully implemented our courseware on GeoLearning, Intralearn, KMSI, Knowbase Networks, Oracle iLearn, Pathlore, SumTotal, TEDS and many other platforms. We offer dedicated technical support and expert content development and customization services.

Every course features engaging activities and knowledge checks to reinforce learning and retention.

All courses include intuitive navigation, high-resolution graphics and up-to-date information to create the ultimate learning experience.

Earn Your OSHA Card

OSHA 10
General Industry

OSHA 10
Construction

OSHA 30
Construction

Complete OSHA 10 & OSHA 30 Training:

- Gain credentials required by many employers
- Immediately print your certificate of completion
- Receive your OSHA card by mail

UL EHS Sustainability has been accredited as an Authorized Provider by the International Association for Continuing Education and Training (IACET).

- * Overhead and Gantry Crane Safety
- * Performing Safety Inspections
- Personal Protective Equipment (PPE) **BUNDLE**
- * Powered Industrial Trucks – 3 Parts
- * Powered Industrial Trucks – Operators Overview
- * Pre-Job Briefing
- Preventing and Addressing Electrical Violations
- Preventing Back Injury
- Preventing Slips, Trips and Falls
- Recognizing Electrical Hazards

- * Reporting (Data Entry)
- * Respiratory Protection
- * Safety and You
- Safety Orientation
- Stormwater Pollution Prevention
- * Tasks and Corrective Actions
- * Trending and Analysis
- * Using Eyewashes and Emergency Showers
- Using Electrical Safety Programs
- * Walking/Working Surfaces
- * “What If?” Mentality
- * Why Incident Management Matters Suite
- * Workplace Hazardous Materials Information System (WHMIS) – 2 Parts

K Korean

- Confined Space Permit-Required
- Contractor Safety
- Crane Operator Safety
- Fire Extinguisher Safety
- Hot Work
- Office Ergonomics
- Resource Conservation Recovery Act (RCRA) – Part 1
- Respiratory Protection

M Mandarin Chinese

- * Bench Grinder Safety
- * Bloodborne Pathogens
- * Compressed Gas Cylinder Safety
- Confined Space Hazards
- Confined Space Permit-Required
- * Continuously Improve for Safety Excellence
- Contractor Safety
- Crane Operator Safety
- * Culture of Early Reporting
- Distracted Driver
- * Drug and Alcohol Awareness
- * Effective Supervision
- Egress and Emergency Action Plans
- * Electrical Arc Flash Safety Awareness
- * Electrical Safety and Lockout/Tagout
- * Environmental Awareness – 3 Parts
- Fall Protection
- * Fall Protection for Mobile Equipment
- Fire Extinguisher Safety
- * Fire Prevention

* In progress 2017 release

Courses Listed By Language

M Mandarin Cont'd

- * Fire Watch
- * First Aid - Basics
- * First Aid - Medical Emergencies
- * Flammable and Combustible Liquids
- * Giving and Receiving Feedback
- * Hand and Power Tool Safety
- * Hand, Wrist and Finger Safety
- Hazard Communication
- Hazard Communication **MINI-MODULE**
- Hearing Conservation
- Heat Stress
- * Hexavalent Chromium
- Hot Work
- * Incident Investigation
- Industrial Ergonomics
- * Injury and Illness Prevention Program
- Inspections and Observations
- * Integrated Systems - Achieving Organizational Excellence
- * Job Hazard Analysis
- * Lab Safety

Courses Listed By Language

Spanish

Access to Medical and Exposure Records
Active Shooter – Preparation and Response Suite BUNDLE
Advanced Safety Orientation for General Industry BUNDLE
Aerial Lifts
Aerial Lifts for Construction
Applying Electrical Standards
Avoiding Rear-End Collisions – Large Vehicles
Avoiding Rear-End Collisions – Light Vehicles
Basic Rigging for Construction
Basic Rigging Principles – 2 Parts
Battery Safety for Telecommunications
* Bench Grinder Safety
Blocking and Cribbing for Heavy Equipment
Bloodborne Pathogens
Combustible Dust
Compressed Gas Cylinder Safety
Concrete and Masonry
Confined Space Hazards
Confined Space Hazards for Construction
Confined Space Permit-Required
Continuously Improve for Safety Excellence
Crane Hand Signaling – 2 Parts
Crane Operator Safety for Construction
* Culture of Early Reporting
Defensive Driving – Large Vehicles
Defensive Driving - Small Vehicles
Distracted Driver
Driver Fatigue
* Drug and Alcohol Awareness
Effective Supervision
Egress and Emergency Action Plans
* Electrical Arc Flash Safety Awareness
Electrical Safety and Lockout/Tagout
Electrical Safety and Lockout/Tagout for Construction
* Environmental Awareness – 3 Parts
Ergonomics for Heavy Equipment
Excavation and Trenching Safety
Extreme Driving Conditions
Fall Protection
Fall Protection for Mobile Equipment
Fire Extinguisher Safety
Fire Extinguisher Safety for Construction
Fire Prevention
Fire Watch
* First Aid - Basics

First Aid - Medical Emergencies
Flammable and Combustible Liquids
Fleet Safety
Giving and Receiving Feedback
Guarding Floor and Wall Openings and Holes
Hand and Power Tool Safety
Hand and Power Tool Safety for Construction
Hand, Wrist and Finger Safety
Hazard Communication
Hazard Communication MINI-MODULE
Hazard Communication – Labels
Hazard Communication – Pictograms
Hazard Communication – Safety Data Sheets
Hazard Communication for Construction
Hazards of Changing Lanes – Large Vehicles
Hazards of Changing Lanes – Light Commercial Vehicles
Hazards of Speeding – Large Vehicles
Hazards of Speeding – Light Commercial Vehicles
Hazards of Tailgating – Large Vehicles
Hazards of Tailgating – Light Commercial Vehicles
HAZWOPER Refresher Training BUNDLE
Health Hazards in Construction
Hearing Conservation
Heat Stress
* Hexavalent Chromium
Hot Work
Housekeeping on the Job
Incident Investigation
Industrial Ergonomics
Injury and Illness Prevention Program
Inspections and Observations
Integrated Systems - Achieving Organizational Excellence
Introduction to Industrial Hygiene
Job Hazard Analysis
Lab Safety
Ladder Safety
Ladder Safety for Construction
Load Securement and Distribution
Lockout/Tagout
Machine Guarding
Materials Handling and Storage
Materials Handling for Construction
Office Ergonomics
Office Safety
Overhead and Gantry Crane Safety
* Performing Safety Inspections

Personal Protective Equipment Overview

Personal Protective Equipment (PPE) **BUNDLE**

Personal Protective Equipment (PPE) for Construction

Powered Industrial Trucks – 3 Parts

Powered Industrial Trucks – Operators Overview

* Pre-Job Briefing

Preventing and Addressing Electrical Violations

Preventing Back Injury

Preventing Cuts and Puncture Wounds

Preventing Slips, Trips and Falls

Reasonable Suspicion Training for Alcohol and Substance Abuse

Recognizing Electrical Hazards

Reporting (Data Entry)

Resource Conservation Recovery Act (RCRA) – 2 Parts

Respiratory Protection

Road Rage

Safe Backing and Turning

Safety and You

Safety Orientation

Scaffold Safety Awareness

Spill Prevention, Control and Countermeasure (SPCC)

Stop Signs and Signals – Large Vehicles

Stop Signs and Signals – Light Commercial Vehicles

Stormwater Pollution Prevention

Struck-By, Caught-Between

* Tasks and Corrective Actions

* Trending and Analysis

Using Electrical Safety Programs

* Using Eyewashes and Emergency Showers

Walking/Working Surfaces

Warehouse Safety

Welding, Cutting and Brazing

Welding, Cutting, and Brazing for Construction

* “What If?” Mentality

* Why Incident Management Matters Suite

Work Zone Safety

Worker Orientation for Construction

* Workplace Hazardous Materials Information System (WHMIS) – 2 Parts

Workplace Violence Prevention

Thai

* Bench Grinder Safety

* Compressed Gas Cylinder Safety

* Confined Space Permit-Required

SAFETY TRAINING WHEREVER YOU ARE

Companies with training programs that incorporate safety eLearning need to ensure that their content is high-quality, reliable, and measurable, and conforms to regulatory standards. UL's eLearning library of health and safety courses provides that and more. Employees can access or manage training 24/7 from anywhere. Courses are now being built in HTML5, which allows more flexibility and portability on a variety of mobile devices and in many different languages.

CONTACT US TODAY

Learn more about our Course Licensing options and how to develop a culture of health and safety in partnership with UL.
